THE FIFTH BI-ANNUAL MEETING OF THE KNIGHTS TEMPLAR CONFERENCE IN THIS CITY THIS WEEK WAS A GRAND SUCCESS.

One not being a high titled Mason they were not in it in Chicago, for the Colored Masons stormed this city the past week from all parts of the World.

Their parades on Tuesday evening and Thursday were the finest ever held in Chicago. The men and women participating in them clearly indicated that only the best class of Colored people belonged to the Masons.

Their grand reception and ball at the Seventh Regiment Armory on Thursday evening was a grand social success and a most delightful affair.

AN ADDRESS TO THE REPUBLICANS OF ILLINOIS IN BEHALF OF HON. JULIUS JOHNSON FOR THE NOMINATION FOR AUDITOR OF PUBLIC ACCOUNTS.

The undersigned Republican voters in Rock Island County take pleasure in supporting and commending to the Republicans of Illinois the candidacy of Mr. Julius Johnson for the Republican nomination for Auditor of Public Accounts, State of Illinois. Mr. Johnson has been a highly respected citizen of our community and is very favorably known throughout the State. He brings to his candidacy a high reputation for personal integrity, a long and efficient public service, and many years of unselfish labor for party success. His nomination would be a deserved recognition of genuine merit and would add much strength to the State ticket at next fall's election.

Respectfully,

F. A. Londee, Senator 33rd Sen. District; W. A. Meese, Attorney and Lecturer; Martin E. Carlson, Mayor, Moline; P. S. McGlyn, Editor Moline Dispatch; W. E. Taylor, Soil Expert Deere & Co.; L. C. Blanding, Chairman Rep. Cen. Com., Moline; A. G. Anderson, Chairman Rep. Cen. Co., Rock Island; Benj. S. Bell, Probate Judge Rock Island County; G. C. Deetz, Municipal Judge, Moline; Gustav Andreen, President Augustana College; Wm. McCoschie, Mayor Rock Island; M. T. Radgren, Commissioner Acct and Fin., E. I.; H. B. Hubbard, County Clerk, Rock Island County; N. A. Larson, County Judge, Rock Island County; Sherman W. Searle, Editor Rock Island Union; Thomas Campbell, Representative 33rd Sen. District; Geo. W. Johnson, Chairman County Rep. Cen. Committee; Fred W. Rinck, Secretary County Rep. Cen. Committee.

It must be said to the great credit of Mr. Johnson that he is spending his own money in connection with the expenses in his clean cut race for the nomination for Auditor of Public Accounts for the State of Illinois, whereas on the other hand one of his chief opponents who at the present time occupies a big state office, has forty or fifty men traveling throughout the state brow beating and bulldozing the voters into supporting him, who is a public leech and he is foolish or childish enough to believe that the taxpayers of this state must always maintain him in some kind of office, although he has made millions of dollars directly and indirectly by holding public office.

It is claimed that many of his shouters and retainers are on the state payroll and drawing their pay out of the pockets of the taxpayers of this state while they are spending the people's time in working in the interest of their political boss.

This should in some way or other be stopped at once and the Republican voters should severely rebuke him at the state wide primaries, Wednesday, September 13th and nominate honest Julius Johnson for Auditor of Public Accounts for the state of Illinois.

CURABLE DEAFNESS.

Is your child hard of hearing?
Is it apparently slow to respond when spoken to?
Does it turn one or the other ear toward you when called?
Does it show lack of interest in what is going on?
Does it seem dull?
Does it frequently put its hand to its ear or the side of its head, as if uncomfortable?
Does it cry with earache?
Consult a physician if you suspect something is wrong with the child's hearing.

Be sure both of its ears are all right. A consultation in time will often save nine times the trouble and expense, for neglect of a curable disorder of the ear is apt to mean incurable deafness later.

THE COLORED UNDERTAKERS' ASSOCIATION OF CHICAGO.

RESOLUTIONS BY NEGRO FELLOWSHIP LEAGUE ENDORSING FRANK L. SMITH FOR GOVERNOR.

Tues. August 22, 1916.

Whereas the overwhelming importance of the November election requires the united action of all Republicans throughout the State and Nation and the resolute determination to put aside factional strife, and

Whereas the great State of Illinois has been lost to the Republican party by reason of continual fighting within our party ranks and our future is threatened by the continued strife of leaders who are working for personal rather than party success:

Resolved, that it is the duty of all good Republicans to discourage strife and promote harmony by supporting for Governor a candidate who has no faction and whose aim is to promote party success:

Resolved, that the splendid campaign of Frank L. Smith conducted throughout the State "with malice towards none and charity to all" makes him, the strongest candidate of the Republican party and we endorse him as the capable leader who can re-unite our party and carry it to certain success.

Mrs. I. B. W.—Barnett, Pres.

FRANK O. LOWDEN MAN FOR GOVERNOR

Sentiment of the State Shows Him as Choice of Majority of Republican Voters.

Frank O. Lowden will be nominated as the Republican candidate for governor in the primary election to be held in Illinois, Wednesday, September 13.

Sentiment in every part of the state demonstrates it. It is confidently predicted he will have a larger vote than

FRANK O. LOWDEN.

all other candidates for the place.

This is a well-merited recognition of Col. Lowden's pledges to the people of Illinois. He has for many years been recognized as one of the leading Republicans of the state. As a man he is actuated by the highest principles and his ideals are those created in the invigorating atmosphere of the country.

Made Friends by Conduct.

While a candidate for Governor in the now famous deadlocked convention

of 1904 and defeated for the nomination, he made hundreds of friends throughout the state. Knowing the circumstances and witnessing the manly way in which he accepted the situation, he established a closer personal friendship with men all over the state than has been possessed by any other man in Illinois public life in years. Col. Lowden did not allow his disappointment to interfere with the full performance of his duty to the nominees. He was one of the hardest workers in the campaign for the success of the party.

A Worker in Every Campaign.

In every campaign since he has been giving valuable service. He has filled every speaking assignment asked of him. The people know him as a worker not a self-seeker. His course has brought to him the friendship and admiration of thousands of Republicans throughout the state and today, believing Col. Lowden has earned the nomination for Governor, they are for him.

Active in Public Affairs.

Col. Lowden is a man of action and advanced thought. His experience in public affairs has not been limited to service in the restricted opportunities of a state legislature nor in holding of appointive office. He has declined all offers of this sort. He did serve his district in congress and he made an enviable record that has left its impress upon legislation that is today of benefit to the people of the nation.

Principle Above Office.

Big, brainy, high principled and scholarly gentleman that he is, he is conducting a campaign free from attacks upon other candidates. Remembering there is an election in November, as well as a primary nomination in September, he is not asking the people for support upon false issues, mudslinging or a discussion of other candidates. He is pointing out the burdens of conditions in the state and telling the remedies he will apply to give the highest efficiency of government in Illinois for the lowest cost to the taxpayers.

Every Republican in Illinois can support and vote for Frank O. Lowden for Governor on that kind of a platform.
